

Graphics

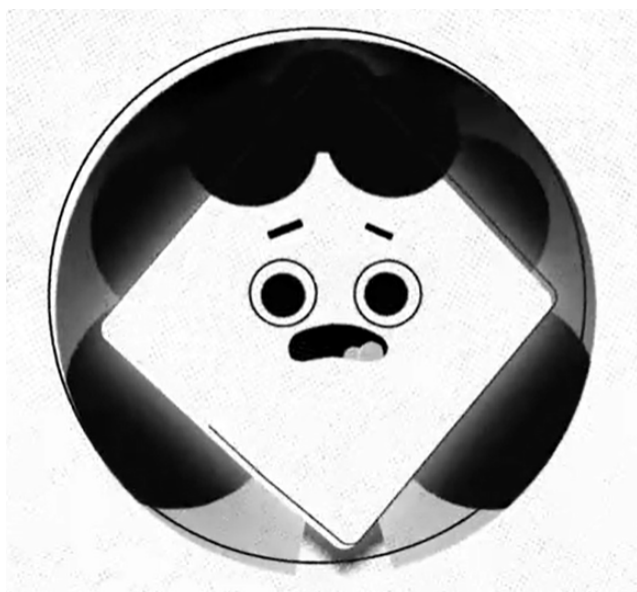

LCB Depot's exhibition & events programme highlights work from a different creative practice every month. In January 2022 the focus is on graphic design, illustration, and animation.

Work is exhibited in our gallery and online from **January 10th - 28th 2022, Mon to Fri, 9am - 5pm**

An office worker learns astral projection with the help of a friendly AI, and uses her new skills to help leave her mundane life behind.

I created this film over the course of 2 weeks during COVID-19 lockdown in the UK. The idea came from the thought that if we'd learnt how to astral project before lockdown we'd be able to explore outside of our houses, at least for a little bit.
