

The Magic of the Real

LCB Depot's exhibition & events programme highlights work from a different creative practice every month. In November 2021 the focus is on visual art including painting, sculpture, installation, textiles, photography & print.

[No Jobs in the Arts](#) have selected 7 emerging East Midlands based artists who in turn have selected work from the [L.O.V.E Art](#) Open Call all of which have to be seen in the real world to be properly apprenticed. Work is exhibited across the site and online from **November 8th - 26th 2021, Monday to Friday 9 - 5pm**

Signal of my intentions #2

Clair Robins

Photographic Artwork

Leicester based photographic visual artist. *Signal of my intentions* is inspired by the humble handkerchief or 'hankie' as we often call it. I find it fascinating that such a simple item has such a compelling history. A practical accessory for your pocket, sleeve, or bosom, developed into a powerful flirting accessory, but more interestingly a discrete way of non-verbal communication.
