Rebekah Tyler

Mixed media- textiles and ceramics

Rebekah a mixed media designer-maker focusing on combining textiles and ceramics and exploring relationships through two-dimensional and sculptural work. Rebekah's inspiration is taken from her surroundings, looking at nature and focusing on textures and colours found within her discoveries. She utilises her skills through photography, sketching, and experimentation within textiles and ceramics. Rebekah's work showcases minimalism with details, emphasising colour, texture, and surface pattern. She has highlighted this through her final collection of carefully composed decorative pieces of art.
