

Craft

LCB Depot's exhibition & events programme highlights work from a different creative practice every month. In May 2022 the focus is on contemporary craft including work in ceramic, glass, metal, wood, textiles and other materials.

Work is exhibited across the site and online from **May 16th - 1st June 2022, Mon to Fri, 9am - 5pm**

The beauty of bad memories

Talora Design

Copper

A set of five copper vessels that symbolise the decline of the artist's mental health. As the collection continues the pieces show more destruction and surface damage to represent the toll past events have had on their mental health. The idea behind this project was both for self-healing as well as advocating for others seeking help.
