David Parkin's Delusions of Grandeur Teaser

David Parkin

sound installation

"David Parkin's Delusions of Grandeur' will be appearing at Leicester Gallery (DMU) from the 23rd of September to the 10th of November, 2023. This sound installation is a little teaser of this sprawling, funny and fearless work about bipolar and sectioning.

Listen to Dave's connected podcasts retelling strange moments on the ward, from getting sectioned, to falling madly in love with a fellow inmate, to escaping to 'The Champagne Bar'.

Dave has been holding creative writing workshops with the WORD!'s Wednesday WORD!'s Collective and BrightSparks CIO's award winning Showcase Collective, in connection with the piece. Have a listen to their thoughts about their life changing moments.

Artist Bio

David is an author, theatre maker, musician and installation artist. His work is fiercely autobiographical or silly and speculative, from his children's book and musical "The Nose That Nobody Picked" to his 'clinical depression concept album show' "Good Friday".

Whatever it is, his work is always thoughtful, moving and funny.
