## ***Canvas***

Yodest

interactive installation

Contact microphones attached to canvas on an easel. Every touch of the canvas causes sounds. You can paint, draw, or scratch and simultaneously listen via headphones to what sound your actions cause.

Remember, your drawing/paint can't be undone, but the sound appears and is gone. Is it true, though?

## Artist Bio

Michał Wojciechowski, aka Yodest, Polish artist, has lived in Leicester since 2015. Video creator and a 'noisician' (someone who is interested in sound itself rather than melody), explores the surrealistic and dark side of life with an emphasis on human beliefs and superstitions, and is inspired by industrial noise music.

Participant of 8 IN OUT Festival in Gdansk 2014, Ideas of Noise Festival in Birmingham 2019, Audioblast #10 - Variant Waves Festival in Nantes/Online 2022.

Constant guest of Electronic Music Open Mic events across the UK and many other Noise/Electronic gigs.
