Oh My Butterfly

Art Prints, Notebooks, Pottery Pieces

Oh My Butterfly presents an assortment of joyful pieces for the home. Embracing the beauty found in life's imperfect moments and the fun we can find in our everyday. Through vibrant explorations of colour, intricate patterns, and charming characters, the collection serves as a gentle reminder of the often overlooked joys woven into the fabric of our everyday existence.

I am a designer, illustrator, and pattern maker, my creative journey is deeply rooted in a profound appreciation for nature's soothing influence. Whether it's reflected in the shapes, concepts, or colours of my work- a pronounced organic essence defines my artistic approach. But above all, I enjoy creating pieces that make me feel happy and I hope other people can find the same joy from my works.
