“Ride The Wave”

Chloe Jean Brown

Oil Paint on Canvas

Chloe's art in its forefront, is inspired by the art of seeing. Her studies of traditional methodology in portraiture and Her awe of the colour and lighting used by impressionists like Monet have allowed Chloe to look at natural objects and landscapes closely and less literally. She is not looking at a flower or a tree as its whole, Chloe tends to focus on smaller sections of intricacy, complexity and intertwining elements that eventually make up the whole form. Often unnoticed.

I am a nature crazy Contemporary-Traditional artist whose work is inspired by the architectural nature of organic objects. My work predominantly focuses on highly contrasting light, saturated colours and well structured forms and I drawn towards interesting shapes and compositions.

I Graduated from my Fine Art Degree at DMU in 2021 and since, I have been on a rollercoaster of internships, freelance work and I am now a member and council member of the Leicester Society of Artists.
