Barry D Bulsara

Screen prints & Greeting Cards

Hand pulled screen prints and a range of humorous, tongue in cheek greeting cards inspired by popular culture, childhood memories and a lifelong passion for anything geeky.

£2.75 - £40

Leicestershire based screen print artist Barry D Bulsara studied Visual Communication at the Glasgow School of Art and after 13 years working as a full time graphic designer he decided to pursue his love of illustration and now is a full time print artist.

His hand pulled screen prints and greeting cards are inspired by popular culture, childhood memories and a lifelong passion for anything geeky. Never to be taken too seriously, a sense of tongue in cheek and humour being essential in all of his creations.
