Legends & Spirit

Art by Daya

Legends & Spirit is a collection by Daya that reimagines figures such as Mona Lisa, Ziggy Stardust, and Cat Woman - exploring expression through Daya's lens of vibrant colour and bold form. The accompanying Spirit works - One Love, Mystique, and Majestic - turn inward, reflecting unity, essence, and higher awareness.

Blending warmth, light, and symbolic geometry, Daya's art reveals the divine spark within both the icon and the self, reminding us that creation itself is shared energy made visible.
