selection of risographs

Bethan Dobbie

A selection of bright, playful art prints and cards, often inspired by Japanese and Scandinavian design.

Artist Bio

I studied Printed Textiles & Surface Pattern Design at Leeds College of Art. Now, I create playful, naive illustrations, taking inspiration from Japanese and Scandinavian design. My work almost always combines hand drawn elements with digital design. I love mark making and playing with colour. Recently, I have been selling my work at local craft fairs.
