Character comic art screen printed on the t-shirts, manipulated and coloured digitally; Part of a collection depicting animals doing different professions. ## **Artist Bio**

The Brass Monkey Merch team is made of two people, George & Alex. We started in February 2025, and so far worked with a few clients, designing and printing their merchandise/logo (eg. SpaceCowboy Records - records shop in Bristol & local bands etc.). Apart from commission art we regularly have stalls

at markets around Leicester with our own products, places such as Phoenix 'The Nest' & The Exchange Bar, as well as festivals like "Be There or Be Square" at The Big Difference venue or Luv x Queer Fest at Firebug. Our next exhibition is at the Gig for Gaza on the 16th of November at The Big Difference venue. We make the badges and some of the cards ourselves, working our way to produce our items in the most sustainable way possible, and printing everything at home.
