Prism

Hannah Webber

The prism reveals what is otherwise invisible, unspoken; the unseen spectrum is revealed and perspective shifts.

Artist Bio

I'm a British artist born in Leicester, and have been art making for the last 7 years. During that time I've exhibited in London and at The Other Art Fair, and with 33 Contemporary Gallery in Chicago.

The work is inspired by psychology, poetry, and my unspoken thoughts. It is my hope you might look at the work and find something of yourself reflected back.
